# BASF Delegation

## to the Conference of Delegates of California Bar Associations

The Bar Association of San Francisco extends this invitation to its members to serve on the Association's Delegation to the 2012 Conference of Delegates of California Bar Associations, to be held October 11-14, 2012 in Monterey, California in conjunction with the State Bar Annual Meeting.

The Conference of Delegates debates and acts upon changes in the law proposed by local and other bar associations statewide for inclusion in the State Bar's legislative program. The Conference provides an opportunity for leading attorneys from around the state to gather to discuss the future of the profession and improve the administration of justice. Your participation and leadership in representing the views of Bay Area attorneys will be invaluable.

For more information about the Conference, see [www.cdcb.org](http://www.cdcb.org), or [www.sfbar.org/cod](http://www.sfbar.org/cod).
