

V HUB

Veterans Legal Resource Hub

After months of study, planning, and collaboration, V-Hub was launched mid-December 2015 to serve veterans and former service members seeking legal help. The numbers to the right reflect its first quarter in operation.

V-Hub is the product of San Francisco community partners coming together to provide better connections to legal help for those who have served.

Partner agencies include BASF's legal service programs, the Golden Gate University School of Law's Veterans Legal Advocacy Center, Swords to Plowshares, the Legal Aid Society—Employment Law Center, and the Veterans Administration.

108

108 calls and online contacts were made through V-Hub

66

66 referrals were made among V-Hub partners

32 referrals were made outside of San Francisco County
