

THE BAR ASSOCIATION OF
SAN FRANCISCO

2023—2024 REGISTER OF EXPERTS & CONSULTANTS DIRECTORY

SECURE YOUR LISTING

For more than 20 years, the Bar Association of San Francisco (BASF) has published Northern California's most trusted guide for identifying experts and consultants. This is where attorneys come to find expert witnesses.

Now exclusively online, the Directory reaches thousands of legal professionals in the Bay Area and beyond.

It's easy to sign up or renew online at www.sfbar.org/basf-directory.

There are company and individual listings available. Company listings are ideally suited for organizations that prefer to be listed by their business name rather than individual experts.

Individual Listing: \$499

\$25 per each additional specialty.

Includes: Your headshot or logo
Name, title, company, and contact information
Summary of specialties, degrees, and licenses

Company Listing: \$649

\$25 per each additional specialty.

Includes: Five of your headshots or logo
Name, title, company, and contact information
Summary of specialties, degrees, and licenses

Experts and consultants who sign up also benefit from BASF marketing to attorneys and legal professionals. Each new listing has the opportunity to be featured in BASF's publications and marketing channels.

See available categories at www.sfbar.org/roe-directory.

Listings will be added online within 14 days.
