OF THE BAR ASSOCIATION OF SAN FRANCISCO

Community Organization Representation Project (CORP)

## Free Virtual Legal Clinic for Nonprofits

*Thursday, April 18 | 2 - 4:30 p.m. | Via Zoom*

The Community Organization Representation Project (CORP), in partnership with Bank of America and NEO Law Group, invites you to a free nonprofit legal wellness clinic.

This clinic will provide nonprofits with a comprehensive overview of their organization's legal wellness and flag any existing or potential problems. Some things that will be covered during the consultations are listed below.

- Corporate governance and reporting requirements,
- Tax exemptions and reporting requirements,
- Owned and leased property issues,
- Finances and fundraising issues, and
- Advocacy and lobbying issues.

During the clinic, each organization will be assigned 2-3 volunteer attorneys to work with them privately to conduct an assessment of the organization using a comprehensive legal compliance checklist.

Provided the organization's legal needs extend beyond the clinic, CORP will work to connect organizations with pro bono services.

### Eligibility

Open to 501(c)(3) nonprofits providing direct services to low-income or underrepresented communities in Northern California

### Apply now!

You must submit an application to be considered for the clinic. If you're interested in participating, please complete [this Google Form Application](#). Space is limited.

**Application Deadline: Friday, March 29, 2024**

### Questions?

If you have questions, or wish to learn more about the clinic or CORP in general, email [CORP@sfbar.org](mailto:CORP@sfbar.org)
