Community Organization Representation Project (CORP)

## Free Virtual Legal Clinic for Nonprofits

Friday, May 9, 2025 | 2 - 4 p.m. PST | Via Zoom

The Community Organization Representation Project (CORP) of the Bar Association of San Francisco invites you to join us for a pro bono virtual legal clinic in partnership with volunteer teams from Baker McKenzie and Equinix.

The clinic will cover nonprofit compliance issues, such as:

- Tax and financial reporting
- Federal registration and renewal
- State registration and renewal
- Other required government filings
- Corporate governance
- Employment law basics

You will have the opportunity to meet privately with a small group of attorneys and legal professionals to review your organization's specific needs.

If your legal needs extend beyond the clinic, we may be able to connect you with additional pro bono services.
