Important Note: The Publisher reserves the right to approve all advertising material and to reject any advertisement at any time. All rates, billing procedures, mechanical requirements per current rate card apply.

Advertiser and The Bar Association of San Francisco (BASF) agree as follows:

All advertisements for BASF publications, print and electronic, are accepted and published on the representation that the advertiser and/or the advertising agent are authorized to publish the entire contents and subject matter thereon.

No conditions printed or otherwise appearing on the insertion order, billing instructions or copy instructions which conflict with the publisher's stated policies will be binding on the publisher. BASF will not be liable for any oral agreements or specific arrangements contrary to or in addition to this contract.

All advertising orders are accepted subject to the terms and provisions of the current rate card. Orders are subject to change in rates upon notice from BASF. In the case of advertising placed by an agency, the agency and the client in whose name the agency is placing the ad, are jointly and severally liable for the price of the advertising space.

Payment for advertising space is due within 30 days of the date of invoice, unless the ad package requires pre-payment.

New advertisers with no credit history with BASF or the RW/Walker Company will be required to pre-pay advertising.

Funds collected in advance of advertising produced are non-refundable.

Failure to provide ad materials will not alter contract payment terms or obligations. BASF reserves the right to decline or reject

any advertisement for any reason at any time without liability, even though previously acknowledged and accepted.

BASF assumes no liability for errors, omissions of key numbers or omission of an advertisement for any reason whatsoever.

All mechanical, design and other production charges incurred on behalf of the advertiser or its agency in the preparation of advertising materials will be billed of \$125.00/hour. Advertisements produced by BASF shall be its property and shall not be reproduced photographically or electronically or otherwise used by other publications without consent.

BASF reserves the right to insert the word "advertisement" above any copy.

Positioning of advertising is at the discretion of the publisher. No positions will be guaranteed unless the position premium has been provided for in the contract and paid. BASF will try to honor positioning requests but will not be held liable if such requests cannot be accommodated.

An advertising order may not be changed or canceled after the closing date of the issue in which the advertisement is scheduled to be published. If instructions to change copy are not received by the closing date, copy run in a previous issue will be published.

Frequency discounts are based on calendar year. Cancellation of space reservation by the advertiser or its agent will result in an adjustment of the rate based on past and subsequent insertions to reflect actual space used at earned frequency or volume rate.

Advertisers and their agencies assume liability for all content of advertisements printed and for any claims arising therefrom made against BASF. In consideration of publication of the advertisement, the advertiser and agency will fully indemnify and hold BASF harmless from all costs, expenses (including reasonable attorneys' fees) and liabilities resulting from or arising in connection with publication of the advertisement.

If a dispute arises out of this agreement and if the dispute cannot be settled through negotiation thirty days after the negotiations begin, the advertiser and BASF agree first to try in good faith to settle the dispute by private mediation in San Francisco County or if unable to agree on a mediator, the advertiser and BASF agree to mediate with the American Arbitration Association under its applicable rules. The cost of any such mediation shall be borne equally by the advertiser and BASF.

If any dispute arising out of this agreement cannot be settled by mediation, then it will be settled by binding arbitration conducted in San Francisco, California, pursuant to the applicable rules of the American Arbitration Association.

BASF is not liable for delays in delivery and/or non-delivery of any publications, printed or electronic, in the event of any condition beyond the control of BASF affecting production in any manner.
